Lydia E. Pinkham's Vegetable Compound is Especially Successful in Curing this Fatal Woman's Disease.

Of all the diseases known with which the female organism is afflicted, kidney

Of all the diseases known with which the female organism is afflicted, kidney disease is the most fatal. In fact, unless early and correct treatment is applied, the weary patient seldom survives.

Being fully aware of this, Mrs. Pinkham, early in her career, gave exhaustive study to the subject, and in producing her great remedy for woman's fills—Lydia E. Pinkham's Vegetable Compound—was careful to see that it contained the correct combination of herbs which was sure to control that fatal disease, woman's kidney troubles. The Vegetable Compound acts in harmony with the laws that govern the entire female system, and while there are many so called remedies for kidney troubles, Lydia E. Pinkham's Vegetable Compound is the only one especially prepared for women.

The following letters will show how marvellously successful it is:

" DEAR MAS. PINERIAM: - I am fail-"DRAB MRS. PINERIAM: — I am failing very fast, — since January have
lost thirty-five or forty pounds. I
have a yellow, muddy complexion,
feel tired, and have bearing down
pains. Menses have not appeared for
three months; sometimes I am troubled with a white discharge, and I also
have kidney and bladder trouble.
I have been this way for a long time,
and feel so miserable I thought I
would write to you, and see if you
could do me any good. "—Miss EDSA

"DEAR MRS. PINEMAN: —I have used Lydis E. Pinicham's Vegetable Compound according to directions, and can say I have not felt so well for years as I do at present. Before taking your medicine a more able person you never saw. I could not eat or sleep, and did not care to talk with any one. I did not enjoy life at all. Now, I feel so well I cannot be grateful enough for what you have done for me. You are surely a woman's friend. Thanking you a thousand times, I remain,

> MISS EDNA PREDERICE. Troy, Ohio.

"DEAR MRS. PINKHAM: - I have taken five bottles of Lydia E. Pink-ham's Vegetable Compound and cannot enough. I had headaches,

leucorrhoea, falling of the womb, and kidney trouble. I also had a pain when standing or walking, and some-times there seemed to be balls of fire in front of me, so that I could not see for about twenty minutes. Felt as tired in the morning when I got up as if I had had no sleep for two weeks. Had fainting spells, was down-hearted, and would cry."—Mas. Beauma Oren, Second and Clayton Sts., Chester Pa.

"DEAR MRS. PINEHAM : - I cannot find language to express the terrible suffering I have had to endure. I had female trouble, also liver, stomach,

kidney, and blad-der trouble. . . . I tried several doctors, also quite a number of patent medicines, and had getting well. At last I concluded to try Lydia E. Pink-

ham's Vegetable
Compound, and now, thanks to your
medicine, I am a well woman. I can
not praise your medicine too highly for I know it will do all, and even more, than it is recommended to do
I tell every suffering woman about
your Vegetable Compound, and urga
them to try it and see for themselves
what it will do."—Mns. Many A. HIPLE, No. Manchester, Ind.
